

■ **Benefit**

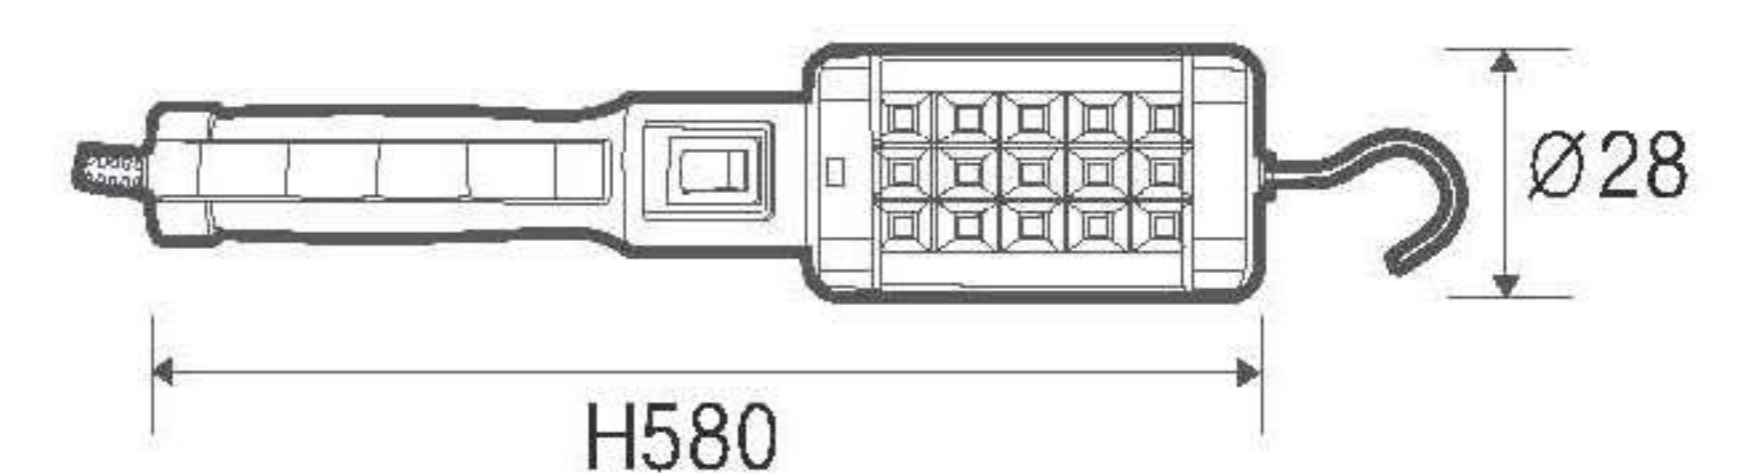

- Low power consumption
- Long life of 25,000hrs
- Easy to store using hook and magnetic
- Eco-friendly product with no mercury or lead etc.,

■ **Special features**

- Being used in both indoor and outdoor working places
- Suitable for the factory and garage, camping ground
- Two types in AC direct and DC12v rechargeable for power outlet(cigar jack) or AC power

← LED PORTABLE

DE-2205W, DE-0125W

Product	DE-2205W	DE-0125W	Remarks
Input voltage (V)	AC220V	DC12V rechargeable	warm white(3000k) available
Power consumption (w)	5		
Luminous flux (lm)	Over 420	Over 350	
Efficiency (lm/W)	Over 80		
Color temperature (K)	6,500		
CRI	over 80Ra		
Working temperature (°C)	-10~40		
Life time (hours)	25,000		
Size (mm)	Ø28×580		
Material	PC / AL
